

Témoignage de Dominik sur différentes expériences de travail

Cooking: I loved cooking I find it was an amazing experience cause I loved mixing all the spices and making a lot of great food.

Farming: It was a fine trip and we got to learn about crops and stuff like water and soil and flour. It was amazing experience and how they treat animals and stuff.

Workshop: Measuring a lot of stuff was fun cause you got to measure the right wood you need to build the chair :- or table<

Petshop: The animals were pretty cool to work with cause I've always cared about animals and I think they deserve better.

Fireman: it require a lot of work but worth a lot because its got its skills to it so if you're a person that loves to put your life on the line to save others, then this job is for you ...😊

Lifeguard: They need to watch out for people swimming so no one drowns and they try to make sure everyone is safe and secure so everybody can have a good time. I wouldn't mind being a lifeguard cause It requires patience and I have patienzce.:)

Teacher: Teaching kids takes responsibility and putting up with kids because it takes discipline.
